

**ISO CONSULTANCY & TRAINING SERVICES
FOR MANAGEMENT SYSTEMS**

COMPANY PROFILE

CHILTERN TMC is a leading ISO consultancy Services organization in the Middle East with clients from different industries such as Manufacturing, Engineering, R&D, Food, Information Technology, Marine, Oil & Gas, Trading, Construction and Service sectors. we are providing training, complete written ISO documentation, internal audit and assistance during final certification audit in the field of Quality, Environmental, Energy, Food Safety, Occupational Health and Safety Management Systems, Shop-floor improvement practices, and other emerging trends in the industries. Our ISO consultants are equipped with recognized Lead Auditor/Assessor qualification from (IRCA, UK). Our holistic consulting approach required our consultant to be totally involved in developing, implementing, training, and monitoring of respective management systems which is vital to your operational efficiency and Return of Investment (ROI) while at the same time save all the hassle of undergoing tedious writing of ISO documentation, CHILTERN TMC maintains current expertise in the design, development, and implementation of technical requirements. Regulatory guidance is available focusing on Good Manufacturing Practices, Licenses, Registration, and Enforcement activities. CHILTERN TMC can assist you in meeting the voluntary or government requirements of any organization. We are providing detailed gap analysis, complete written ISO documentation, Implementation, Training, Risk assessment, internal audit, and assistance during the final certification audit in the field of quality, Environmental, Energy, Food Safety, Occupational Health, and Safety Management Systems, Shop-floor improvement practices, and other emerging trends in the industries. CHILTERN TMC can assist you in meeting the voluntary or government requirements of any organization and getting the ISO Certification from the leading certification bodies or Accreditation bodies and product certification like Dubai Municipality.

Our strength lies in providing industry-specific consulting solutions to small, medium, and large industries.

We ensure that the solutions provided by us are effective in the long term and our designed systems generate maximum benefits to our customers.

CHILTERN TMC is proudly engaged in various system implementation and monitoring solutions, with diverse knowledge and expertise in the major management systems.
